### REPORT & STATISTICS

#### Number of Entrants / Entries by Division

This year we set yet another record for the total number of **entrants: 188**, up from 144 last year. The number of **entries: 806** is up from the 710 last year and also breaking the record set in 2007 at 772. This was in spite of lowering of the maximum number of entries allowed per entrant to 7 from 8 in 2008 (10 per person in 2007). *It is recommended that some method be used to lower numbers in 2010 due to space limits.*
