Old Business:

The board finalized plans for the Nov. Smith River Shoot Out.

Discussion on the Christmas Party. There will be a \$20.00 limit on the gifts. We will do the steal as is our custom. Participation is optional. This will be a potluck and BYOB. Elise has wine glasses, but everyone should bring their own plates and utensils. Carol will ask Kathy if she will do the saran wrap ball.

New Business:

Thomas has volunteered to be the backup superintendent for the Coos County Fair.

We will be requesting that people follow the new guidelines from 4C's for our EID images. Images will be 1980X1080 2M Max size. This will make it easier for Elise when sending images to 4C's.

There is a change to the January 2024 schedule. We will meet on Jan. 8 and Jan. 22. The board will meet on the 15th.

Meeting adjourned at 2:35 pm

Respectfully submitted by Carol Todd, Secretary

New Sizes for 4C's EID

At the quarterly board meeting on Sunday, **the board approved an immediate change to the image size used for all EID competitions. The new max image size is 1920 wide x 1080 high.** The board adopted this as the result of the PSA PID competition unexpectedly making the same change in August.

This size is slightly taller but significantly wider than the previous max size, 1400x1050. It is fine to submit images using that previous max size.

If you are entering the Fall QEID competition and have already submitted images, you may resubmit the same images using the new max size. Please let Eileen, the QEID chair, know that you are swapping out your entry.

If one of your images won an award in the October MEID competition, you may (but are not required to) submit a larger version of the same image for use in the year-end competition. Send the larger version to the same address as usual (meid_t or meid_arm@columbiacameraclubs.org), and please clearly indicate that you are doing so.
