4C's EID Quarterly Competitions

Entries must be submitted via email to eidquarterly@columbiacameraclubs.org

Information about the Quarterly Electronic Imaging Division Competition?

Electronic Image Competitions fall into two different Divisions in the 4C's, i.e. the Monthly Electronic Image Division (MEID) and the Quarterly Electronic Image Division (QEID). The MEID holds monthly competitions and the entries are forwarded for judging by the [4C's Member Clubs](#) based on the results of internal photo club competitions. The QEID holds quarterly competitions and the **entries are forwarded a judging club within the 4C's for judging by members** of the [4C's Clubs](#). Unlike the MEID Competitions, which are club competitions, QEID Competitions are considered to be individual competitions and awards are given to the individual participants for that particular competition. Award ribbons for the QEID Competitions are typically mailed to the respective 4C's Club Rep for presentation of the award to the winning photographers. Both competitions rely upon electronic images presented by digital means, e.g., displayed on a computer or digitally projected onto a viewing surface. Images are not limited to those created and/or modified digitally: images may also be acquired on film and then scanned,

modified if desired, and entered into competition by judges designated by the 4C's management team.

Deadlines for the QEID Competitions

Entries for the QEID Competitions can be made 30 days before the deadline. The entries are made via email and **The QEID Entry Deadline is midnight on the following dates:**

Summer: July 31

Fall: October 31

Oregon Coast Photographers' Assn. Inc.
Board Meeting May 13, 2024

Present: Tom B, Renee M, Linda P, Don T, Elise, Carol T. Guests: Steve and Rhonda Mackey.

Minutes: Renee motioned that the minutes be accepted as amended with the picnic at Linda's on Saturday, May 18. Don seconded the motion, and it was approved unanimously.

Treasurer Report: Linda reported that the balance in our account is 1,478.12.

Old Business

Upcoming events: Linda Petersen is hosting a picnic/shoot out at her home Sat. May 18, noonish. Bring your own food and drink.

Thomas is hosting a bar-b-que at his home June 22nd. Details will be announced.

Nominating committee report: Tom and Carol discussed their progress so far. Steve and Rhonda volunteered to be on the board. We will be discussing who wants off board over the next few weeks. One person has already expressed interest in dropping.

Fair discussion: A discussion was held on how to handle watching the exhibitions in the building. Carol Suggested that if no one is there to take care of the exhibits we should have security close the building and leave. We also discussed the issues with the book for take in. The Fair has been working on correcting the sheets, so they are more user friendly. Carol is hoping she will be there to oversee intake. Signage: Linda volunteered to try her hand at designing a banner that describes who we are and will draw people in. We will also have candy at the table to draw people in and give us the opportunity to discuss OCPA with them. Brochures will also need to be printed.

New Business

The board and guests came up with a list of 22 words for the 2024/2025 calendar. A discussion was also held on when to have the next scavenger hunts. It was decided they will be held in September/October and March/April.

Photographer Gregory Holden has offered to hold critiques or discussions via Zoom with our club. The cost is \$100. After some discussion his offer was declined.

A discussion was held around having more teaching events at our regular meetings. All members will be encouraged to discuss their areas of expertise.

Meeting adjourned at 3:10 pm
Respectfully submitted
