4C's News

This message is going to Club Reps and EID Chairs. Reps, please make sure your members are aware of this change.

At the quarterly board meeting on Sunday, **the board approved an immediate change to the image size used for all EID competitions. The new max image size is 1920 wide x 1080 high.** The board adopted this as the result of the PSA PID competition unexpectedly making the same change in August.

This size is slightly taller but significantly wider than the previous max size, 1400x1050. It is fine to submit images using the previous max size.

If you are entering the Fall QEID competition and have already submitted images, you may resubmit the same images using the new max size. Please let Eileen, the QEID chair, know that you are swapping out your entry.

If one of your images won an award in the October MEID competition, you may (but are not required to) submit a larger version of the same image for use in the year-end competition. Send the larger version to the same address as usual (meid_t or meid_arm@columbiacameraclubs.org), and please clearly indicate that you are doing so.

Please don't confuse this with OCPA Member's Only rules we will continue the max size of 1400 x 1050 for this competition year.
